We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for the Wexford-Missaukee Intermediate School District. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the General Education Department for assistance.

The AER is available for you to review electronically by visiting this [web site](#) or you may review a copy at the General Education office.

For 2009-2010, Wexford-Missaukee ISD Special Education did not make Adequate Yearly Progress (AYP) because not enough students met the state objective in ELA and Mathematics. We are actively working to address the district issues by implementing early interventions and aligning curriculum.

State law requires that we also report additional information:

1. **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL –**  
Students are assigned to a classroom based on the least restrictive environment for and their IEP or in the case of Career Technical Center student's, the program
2. **THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN –** This plan can be viewed at [www.wmisd.org](http://www.wmisd.org)
3. **A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL –**  
Students may receive services at the Career Technical Center. Students who attend the WMCTC have an opportunity to explore and train for career options in one of fourteen programs to help them prepare for career success after high school whether it is college, employment, or the military.
4. **IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL –** Students at WMISD follow [Michigan Curriculum Framework](#) and use the [Grade Level Content Expectations](#) (GLCE) and [High School Content Expectations](#)

**Wexford-Missaukee**  
Intermediate School District

(HSCE) along with the [Michigan Merit Curriculum](#) as our main curriculum guide.

Wexford-Missaukee Intermediate School District will continue to work hard to ensure that all students have the best educational opportunities and that our students have every chance at success.

Sincerely,  
Scott Crosby  
Superintendent
